RAFFLE ITEM DONATION REQUEST

The Lewisville Education Foundation (LEF) will host our 18th Annual LEF Golf Classic fundraising tournament on Monday, October 19, 2026. This community event raises essential funds that support our mission of providing student scholarships and teacher grants to the students and teachers of Lewisville ISD.

Please consider contributing an item to the raffle. Not only will donating an item help the Lewisville Education Foundation raise the funds we need, it will provide excellent exposure for you and your organization.

Thank you for your consideration and for supporting education in our community. If you are able to donate, please scan the QR code, select 'Donate an Item' and complete the form. These details will help us accurately describe the item.

Warm Regards,

A handwritten signature in black ink, appearing to read "Bill Lee".
