

How to Write a LEF Grant

What is LEF?

The Lewisville ISD Education Foundation (LEF) was created 34 years ago to support LISD students and teachers.

The Foundation's purpose is to support excellence in education by establishing and distributing supplemental funds for enrichment purposes in designated program areas not otherwise funded by LISD. Funding does not replace or alter use of funds from traditional tax-based sources.

Teacher Grant Criteria

Who Can Apply: Any professional personnel working directly with children, including teachers, counselors, librarians and nurses.

Eligible Projects: A Teacher/Classroom Grant is for projects that enhance and augment educational opportunities for students and teachers in the Lewisville Independent School District. Grants should have creative teaching approaches and be innovative projects with the hope that the best will serve as pilot projects for broader implementation. In addition, they should reflect the Lewisville ISD Core Beliefs, Vision, Mission and Goals.

There are some items the foundation typically does not fund. There are always exceptions to truly innovative grants, but traditionally these items will not be funded:

- food/snack items
- giveaways, prizes
- fundraisers (to raise more funds for a program)
- field trips
- substitute teacher fees
- teacher training
- teacher travel
- teacher travel
- professional development
- after school clubs not incorporated within curriculum
- animals
- extra-curricular activities

Award Range: Up to \$2,500

Application Open: March 1, 2024 until May 23, 2024 at 11:59 pm

IMPORTANT: If you are awarded a Teacher Grant, the donor will present it to you at the beginning of the 2024-25 school year during a surprise presentation.

Click the SAVE button to go to the next page. When you have finished your application, don't forget to press the SUBMIT button.

Please note that all grants will be reviewed by appropriate LISD departments to ensure compliance with existing purchasing, IT, and curriculum policies and procedures.

**If you move to a different campus or out of district prior to receiving the grant, your grant request will be nullified. It will not be awarded to you, it will not transfer with you to your new location and it will not be awarded to the school or department you left.*

In order to honor our donors, please email Sherah Robinson (robinsons@lisd.net) to let her know that you have moved.

Criteria Confirmation: I have read the criteria and qualify for this grant.

Helpful Hints

- **Think outside the box!**
- You can save and go back to your work at anytime until May 23rd.
- LEF suggests you write your information in Word then correct it before you copy and paste it into the provided boxes. This allows for you to spell check first in Word.
- Think of purchasing items with multiple purposes to use inside your room or across disciplines.

1.2.3. Grant Writing Time

- Project Title:
 - Pick something that will grab the interest of the reviewers and demonstrate student impact.
- Explanation of the needs this project will meet.
- List the major objectives for this project:
 - LISD Core Beliefs, Vision, Mission and Goals
 - Observable and Measurable
 - Engaging, Innovative Experiences
- Describe the project
 - Examples of project usage

1.2.3. Grant Writing Time

- How will this engage students and improve their achievements?
- Is it a short term or long term project? Explain why the project would not continue.
- Evaluation - how will you evaluate if your objectives have been met?
- Describe how your project will be collaborative, how it will be shared, how it will make a difference at your campus.
- **Discuss your grant idea with your principal before submitting to see how it reflects LISD mission and goals.**

1.2.3. Grant Writing Time

- How will you communicate your success to your campus, community and LEF?
- Budget
 - Note the item quantity, item cost, total cost
 - Any discount should be noted in the budget area
 - Add shipping charges here
 - No additional funds are available if costs increase
 - LISD purchasing processes and procedures **must** be followed. This includes all technology required accessories, i.e. Apple Care

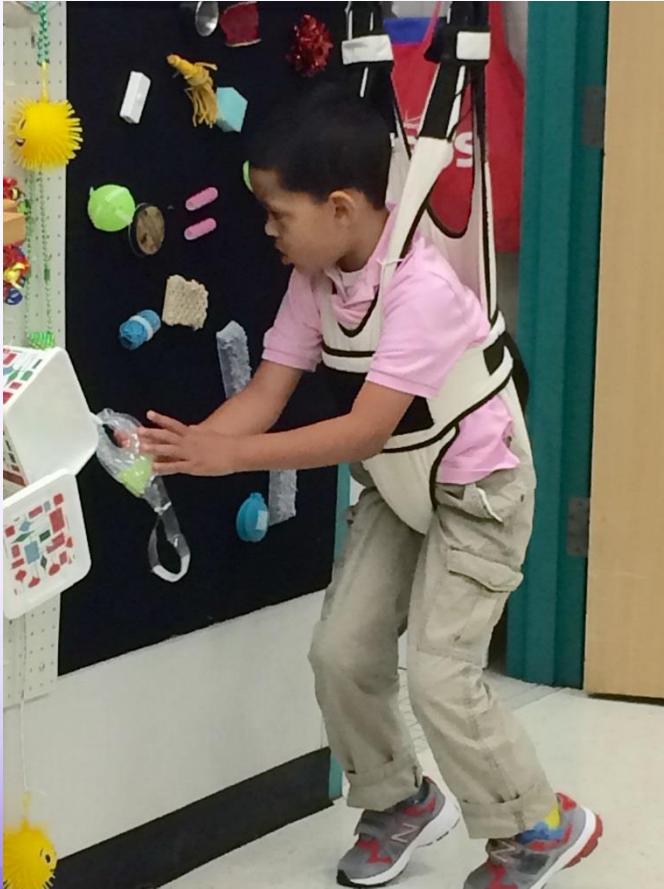

What Do Reviewers Look For?

- LEF community reviewers will be focusing on grants that enhance a student's learning experience around the District's Mission and Goals - available on the LISD website.
- Reviewers will be looking for the following:
 - How your request will enhance student learning.
 - Does your request integrate learning across disciplines- i.e. Social Studies with Language Arts.
 - For technology requests - What is the academic need and how will students and their teacher interact using this technology.
 - Is this a new way to engage your students, will it excite your students into wanting to engage in their learning?
 - What are your expected outcomes.

What Can You Apply For ?

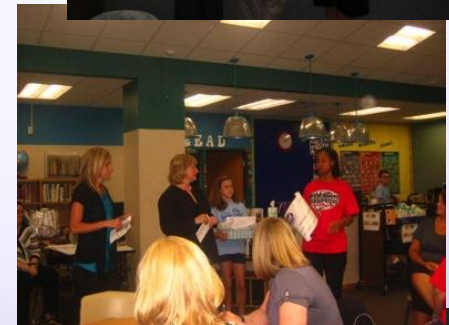

- Because monies are not available to fund all requests, LEF policy only allows us to fund programs and equipment that will directly benefit LISD students.
- LEF does not fund any requests that are covered by LISD tax dollars.
- **Sorry! No parties, food, prizes, animals, field trips, fundraisers, teacher travel, teacher training, professional development or extracurricular activities.**

Final Helpful Hints

- Use your imagination. What do you need to help you inspire and engage your students to excel to their fullest potential?
- Think of the results from the project. How will they benefit your students now and in the future?
- **Spell out acronyms!** Not all grant readers will know what LEP or IEP mean.
- Don't forget you can apply as a team or individually.
- If you are awarded a grant, you will be expected to complete a Project Evaluation online by the last day of school the current funding year. Recipients who do not provide an evaluation will not be eligible for future grants.

Have Fun & Good Luck!
