VOLUNTEER IMPACT REPORT

To Our Awesome LEF Volunteers:

At the Lewisville Education Foundation, we believe great things happen when people come together to serve. None of our work happens through funding alone. It happens because people are willing to show up, give their time, lend their talents, and serve wherever they are needed.

Some volunteer roles are highly visible. Others happen quietly behind the scenes. Both matter. Whether reading scholarship applications, helping with outreach, preparing materials, welcoming guests, setting tables, or completing the many tasks that happen behind the scenes, your service helps LEF support students, teachers, and campuses across Lewisville ISD.

That kind of service is not small. It is foundational. Volunteers do more than provide extra hands. You extend our capacity, help turn plans into action, and ideas into impact. The impact of a volunteer may begin with a simple task, but it reaches much farther than you may ever see.

As we celebrate our Volunteer Appreciation Event, we want to sincerely thank you for your time, dedication, flexibility, and willingness to step in wherever needed, often without fanfare or recognition.

You help carry the mission forward, and we are truly grateful.
